

BRAD'S CUB SCOUT ADVENTURES

In Oct. of 2002, I joined Cub Scouts in Lindsay as a First Year Webelos Scout. I was really nervous and excited about joining. I wanted to go on lots of outdoor adventures such as hiking and camping.

On our first meeting, we went on a bike hike around town. It was loads of fun! I also got to meet the other boys I would be scouting with for the year.

As the year went on, we worked on various Activity Badges. My favorites were; Geologist,  Fitness,  and Artist . For Fitness we got to run an obstacle course set up by Mr. Geffre, Chris Griffith, our Den Chief, and some of us Webelos Scouts. We had a lot of fun, especially when we got to run into a couch and try to turn it over!

The most exciting things about scouting were: hiking at Mt. Scout, going to the Mid-evil Fair, and camping/fishing at the Lindsay City Lake by special permission by the Golf Course supervisor and the City Manager.
